

Colin Towne

Photographer & Videographer

About Me

I am a photographer and videographer with a strong passion for visual storytelling and content creation. I have experience in capturing and editing photo/video content for both personal and client projects, with a focus on composition, lighting, and detail. While delivering high-quality visual content, I am driven to develop my skills in a professional setting.

Key Skills

- Audio Setup (microphone, clean sound capture), Audio Editing (Adobe Audition)
